# ABOUT GAME JAM

Game Jam is a creative playground for students and youngster who is passionate in designing and coding game. The contest occurs only in 48 hours for teams to create their game from A to Z.

In global scale, Game Jam is a big event with the participation of thousands of contestants, under many concepts and formats.

In Vietnam, Gameloft is the only one unit organizing the contest. Game Jam is held annually, attracting hundreds of students, first-jobbers and even senior employees nationwide.

In 2020, in consideration of Covid-19 pandemic, the contest will **go online for the first time**, bringing a whole new experience and challenge to all candidates.
