

TechTrain, a fast growing online tech education provider, is now hiring!

Academic Department
TechTrainer (Teacher)
(Full-time / Part-time)

TechTrainers work with primary and secondary school students, either 1-to-1 or in small groups, to build foundational tech skills and understanding across a variety of topics.

TechTrainers are characterized by their subject knowledge as well as their enthusiasm, energy and ability to patiently and effectively guide young learners in the acquisition and application of 'future skills'.

Sales and Marketing Department
Sales and Marketing Associate
(Full-time / Part-time)

TechTrain's Sales and Marketing Associates play a key role in creating and deploying the content and communications strategies and tactics that keep our target audience and parent community informed.

The parent and student journey is paramount to the brand experience of enrolling at TechTrain Virtual Academy, guided from first contact to final enrollment by our caring, dedicated, and driven sales and marketing team.

TechTrain operating hours:

Monday - Friday: 8am - 8pm / **Friday - Sunday:** 8am - 6pm

Weekly working hours (per role type)

Part-time: 15 - 25 hours per week / **Full-time:** 40 - 44 hours per week

Note: Both part-time and full-time roles offer flexibility within business operating hours and candidates can submit their availability during application.
