Our Company

We're **Hitachi Digital Services**, a global digital solutions and transformation business with a bold vision of our world's potential. We're people-centric and here to power good. Every day, we future-proof urban spaces, conserve natural resources, protect rainforests, and save lives. This is a world where innovation, technology, and deep expertise come together to take our company and customers from what's now to what's next. We make it happen through the power of acceleration.

Opening Opportunities

We are seeking for **6 Full-stack Development Interns & 4 Magento Development interns.**

These talented individuals will receive support/ guidance from seniors, be able to access Hitachi learning platforms & mostly participate in on-the-job training to leverage technologies & interpersonal skills.
